Regarding: 3800 East Willow Street, Long Beach, California
Schroeder Hall United Army Reserve Center

Dear Mr. Schardein:

This letter confirms the completion of the investigation of a self initiated site assessment related to the removal of the connection between the wash rack and the concrete sump located at the above referenced location.

Based on the information in the above referenced file and with the provisions that the information provided to this Agency was accurate and representative of site conditions, no further action is required.

It should be noted that the Long Beach Fire Department have lead agency status on projects related to the removal of hydraulic lifts and clarifier, (oil/water separators). Therefore subsequent approval will be required from that agency prior to any soil investigation activity.

If you require additional information regarding this matter, you may contact inspector Carmen Piro at 562/570-4137.

Sincerely,

Jeff Benedict, R.E.H.S, M.P.A.
